– Partial general approach

On page 55, Chapter IV, Article 19, in the 4th line of paragraph 3, the comma is deleted and the paragraph should read as follows:

"3. In the energy sector, particular consideration shall be given to projects of common interest and related actions aimed at further integrating the internal market for energy, ending energy isolation and eliminating electricity interconnection bottlenecks with emphasis on those projects contributing to the achievement of the interconnection target of at least 10%."

On page 71, in the table: Core network corridor "Orient/East-Med", the second part of the table should read as follows:
