Proposal for a

COUNCIL DECISION

**authorising the signature of an Agreement between the European Union and the
Kingdom of Morocco establishing a Dispute Settlement Mechanism**

EXPLANATORY MEMORANDUM

1. The Euro-Mediterranean Agreements contain provisions liberalising trade in goods, but the dispute settlement rules applicable to disputes concerning these provisions rely mainly on a diplomatic approach and can be easily blocked by the party complained against.
2. In the context of a widening and upgrading of Euro-Mediterranean trade relations, it was opportune to create a dispute settlement mechanism applicable to trade disputes based on streamlined and effective procedures within firm time limits, and modelled on the dispute settlement mechanisms of the most recent agreements concluded by the European Union and on the WTO Dispute Settlement Understanding. Such a mechanism will increase the security and predictability of our bilateral trade relations. To this end in the framework of the European Neighbourhood Policy EU-Morocco Action Plan the parties agreed to elaborate rules of procedure for dispute settlement.
3. On 24 February 2006 the Council authorised the Commission to open negotiations with its partners from the Mediterranean region in order to establish a dispute settlement mechanism related to trade provisions (document 6489/06 MED 4 WTO 37).
4. The Commission has negotiated in regional and bilateral mode with several Mediterranean partners. These negotiations took place in consultation with the Committee established by Article 207 of the Treaty and within the framework of the negotiating directives issued by the Council.
5. Negotiations with Morocco progressed well, and resulted in a draft Agreement that was initialled at the Euro-Mediterranean Trade Ministerial Conference in Brussels on 9 December 2009. This Agreement follows the model of the dispute settlement chapter of current FTA negotiations, and is based on the WTO Dispute Settlement Understanding, adapted to a bilateral context. The scope of the dispute settlement mechanism includes Title II of the EU-Morocco Association Agreement, with the usual exception of the article on anti-dumping. After the entry into force of the Agreement on the liberalisation of agricultural products, initialled on 14 December 2009, disputes arising from that agreement would also be subject to this Agreement. The text also foresees streamlined and effective procedures (including on the composition of the panel and compliance proceedings) with clear time-limits. It also contains opportunities to settle disputes before establishing a panel, via consultations and mediation. Finally, the text incorporates rules on openness and transparency (open hearings, amicus curiae briefs, publication of the panel report), as well as an article on the relation with the WTO Dispute Settlement Understanding.
6. The Commission is therefore invited to adopt the attached proposal for a Council Decision authorising the signature of this Agreement.
7. In parallel, a separate proposal on the conclusion of this Agreement is also submitted.

ANNEX

AGREEMENT BETWEEN THE EUROPEAN UNION AND THE KINGDOM OF MOROCCO ESTABLISHING A DISPUTE SETTLEMENT MECHANISM

THE EUROPEAN UNION, hereinafter referred to as "the Union", of the one part, and
THE KINGDOM OF MOROCCO, hereinafter referred to as "Morocco", of the other part,
HAVE AGREED AS FOLLOWS:

CHAPTER I

OBJECTIVE AND SCOPE

Article 1

Objective

The objective of this Agreement is to avoid and settle any trade dispute between the Parties with a view to arrive at, where possible, a mutually agreed solution.

Article 2

Application of the Agreement

1. The provisions of this Agreement apply with respect to any dispute concerning an alleged violation of the provisions of Title II (with the exception of Article 24) of the Euro-Mediterranean Agreement establishing an association between the European Communities and their member States, of the one part, and the Kingdom of Morocco, of the other part (hereafter "the association Agreement")¹ or of the "Agreement in the form of an Exchange of Letters between the European Union and the Kingdom of Morocco concerning reciprocal liberalisation measures on agricultural products, processed agricultural products and fish and fishery products and the replacement of protocols 1, 2 and 3 and their annexes and amendments to the Euro-Mediterranean Agreement establishing an association between the European Communities and their member States, of the one part, and the Kingdom of Morocco, of the other part"². The procedures of this Agreement shall apply if, 60 days after a dispute has been referred to the Association Council pursuant to Article 86 of the Association Agreement, the Association Council has failed to settle the dispute.
2. Article 86 of the Association Agreement applies to disputes relating to the application and interpretation of other provisions of the Association Agreement.

¹ The provisions of this Agreement are without prejudice to Article 34 of the Protocol concerning the definition of the concept of «originating products» and methods of administrative cooperation.

² [Exact English version of the name of the Agreement to be confirmed.]

3. For the purposes of paragraph 1, a dispute shall be deemed to be resolved when the Association Council has taken a decision as provided for in Article 86.2 of the Association Agreement, or when it has declared that there is no longer a dispute.

CHAPTER II

CONSULTATIONS AND MEDIATION

Article 3

Consultations

1. The Parties shall endeavour to resolve any difference regarding the interpretation and application of the provisions referred to in Article 2 by entering into consultations in good faith with the aim of reaching a prompt, equitable, and mutually agreed solution. In these consultations, the Parties will also discuss the impact that the alleged breach would have on their trade.
2. A Party shall seek consultations by means of a written request to the other Party, copied to the subcommittee "industry, trade and services", identifying any measure at issue and the provisions of the agreements referred to in Article 2 that it considers breached.
3. Consultations shall be held within 40 days of the date of receipt of the request and take place, unless the Parties agree otherwise, on the territory of the Party complained against. The consultations shall be deemed concluded within 60 days of the date of receipt of the request, unless both Parties agree to continue consultations. Consultations, in particular all information disclosed and positions taken by the Parties during these proceedings, shall be confidential, and without prejudice to the rights of either Party in any further proceedings.
4. Consultations on matters of urgency, including those regarding perishable or seasonal goods shall be held within 15 days of the date of receipt of the request, and shall be deemed concluded within 30 days of the date of receipt of the request.
5. If the Party to which the request is made does not respond to the request for consultations within 20 working days of the date of its receipt, or if consultations are not held within the timeframes laid down in paragraph 3 or in paragraph 4 respectively, or if consultations have been concluded and no agreement has been reached on a mutually agreed solution, the complaining Party may request the establishment of an arbitration panel in accordance with Article 5.

Article 4

Mediation

1. If consultations fail to produce a mutually agreed solution, the Parties may, by mutual agreement, seek recourse to a mediator. Any request for mediation must be made in writing to Party complained against and the subcommittee "industry, trade and services" and state any measure which has been the subject of consultations as well as the mutually agreed terms of reference for the mediation. Each Party undertakes to accord sympathetic consideration to requests for mediation.
2. Unless the Parties agree on a mediator within 10 working days of the date of receipt of the request for mediation, the chairpersons of the subcommittee "industry, trade and services", or the chairpersons' delegate, shall select by lot a mediator from the pool of individuals who are on the list referred to in Article 19 and are not nationals of either Party. The selection shall be made within 15 working days of the date of receipt of the request for mediation. The mediator will convene a meeting with the Parties no later than 30 days after being selected. The mediator shall receive the submissions of each Party no later than 15 days before the meeting and may request additional information from the Parties or from experts or technical advisors as she or he deems necessary. Any information obtained in this manner must be disclosed to each of the Parties and submitted for their comments. The mediator shall notify an opinion no later than 45 days after having been selected.
3. The mediator's opinion may include one or more recommendations on how to resolve the dispute consistent with the provisions referred to in Article 2. The mediator's opinion is non-binding.
4. The Parties may agree to amend the time limits referred to in paragraph 2. The mediator may also decide to amend these time limits upon request of any of the Parties, given the particular difficulties experienced by the Party concerned or the complexities of the case.
5. The proceedings involving mediation, in particular the mediator's opinion and all information disclosed and positions taken by the Parties during these proceedings, shall be confidential, and without prejudice to the rights of either Party in any further proceedings.
6. If the Parties agree, procedures for mediation may continue while the arbitration procedure proceeds.
7. Replacement of a mediator shall take place only for the reasons and according to the procedures detailed in rules 18 to 21 of the Rules of Procedure.

CHAPTER III

DISPUTE SETTLEMENT PROCEDURES

SECTION I – ARBITRATION PROCEDURE

Article 5

Initiation of the arbitration procedure

1. Where the Parties have failed to resolve the dispute by recourse to consultations as provided for in Article 3, or by recourse to mediation as provided for in Article 4, the complaining Party may request the establishment of an arbitration panel.
2. The request for the establishment of an arbitration panel shall be made in writing to the Party complained against and the subcommittee "industry, trade and services". The complaining Party shall identify in its request the specific measure at issue, and it shall explain how such measure constitutes a breach of the provisions referred to in Article 2. The establishment of an arbitration panel shall be requested no later than 18 months from the date of receipt of the request for consultations, without prejudice to the rights of the complaining Party to request new consultations on the same matter in the future.

Article 6

Establishment of the arbitration panel

1. An arbitration panel shall be composed of three arbitrators.
2. Within 10 working days of the date of receipt by the Party complained against of the request for the establishment of an arbitration panel, the Parties shall consult in order to reach an agreement on the composition of the arbitration panel.
3. In the event that the Parties are unable to agree on its composition within the time frame laid down in paragraph 2, either party may request the chairpersons of the subcommittee "industry, trade and services", or the chairpersons' delegate, to select all three members by lot from the list established under Article 19, one among the individuals proposed by the complaining Party, one among the individuals proposed by the Party complained against and one among the individuals selected by the Parties to act as chairperson. Where the Parties agree on one or more of the members of the arbitration panel, any remaining members shall be selected by the same procedure.
4. The chairpersons of the subcommittee "industry, trade and services", or the chairpersons' delegate, shall select the arbitrators within five working days of the request referred to in paragraph 3.
5. The date of establishment of the arbitration panel shall be the date on which the three arbitrators are selected.
6. Replacement of arbitrators shall take place only for the reasons and according to the procedures detailed in rules 18 to 21 of the Rules of Procedure.

Article 7

Interim panel report

The arbitration panel shall issue an interim report to the Parties setting out the findings of fact, the applicability of relevant provisions and the basic rationale behind any findings and recommendations that it makes, not later than 120 days from the date of establishment of the arbitration panel. Any Party may submit a written request for the arbitration panel to review precise aspects of the interim report within 15 days of its notification. The findings of the final panel ruling shall include a discussion of the arguments made at the interim review stage.

Article 8

Arbitration panel ruling

1. The arbitration panel shall notify its ruling to the Parties and to the subcommittee "industry, trade and services" within 150 days from the date of the establishment of the arbitration panel. Where it considers that this deadline cannot be met, the chairperson of the arbitration panel must notify the Parties and the subcommittee "industry, trade and services" in writing, stating the reasons for the delay and the date on which the panel plans to conclude its work. Under no circumstances should the ruling be notified later than 180 days from the date of the establishment of the arbitration panel.
2. In cases of urgency, including those involving perishable or seasonal goods, the arbitration panel shall make every effort to notify its ruling within 75 days from the date of its establishment. Under no circumstance should it take longer than 90 days from its establishment. The arbitration panel shall give a preliminary ruling within 10 days of its establishment on whether it deems the case to be urgent.
3. The arbitration panel shall, at the request of both Parties, suspend its work at any time for a period agreed by the Parties not exceeding 12 months and shall resume its work at the end of this agreed period at the request of the complaining Party. If the complaining Party does not request the resumption of the arbitration panel's work before the expiry of the agreed suspension period, the procedure shall be terminated. The suspension and termination of the arbitration panel's work are without prejudice to the rights of either Party in another proceeding on the same matter.

SECTION II – COMPLIANCE

Article 9

Compliance with the arbitration panel ruling

Each Party shall take any measure necessary to comply with the arbitration panel ruling, and the Parties will endeavour to agree on the period of time to comply with the ruling.

Article 10

The reasonable period of time for compliance

1. No later than 30 days after the receipt of the notification of the arbitration panel ruling to the Parties, the Party complained against shall notify the complaining Party and the subcommittee "industry, trade and services" of the time it will require for compliance (reasonable period of time), if immediate compliance is not possible.
2. If there is disagreement between the Parties on the reasonable period of time to comply with the arbitration panel ruling, the complaining Party shall, within 20 days of the receipt of the notification made under paragraph 1 by the Party complained against, request in writing the arbitration panel to determine the length of the reasonable period of time. Such request shall be notified simultaneously to the other party and to the subcommittee "industry, trade and services". The arbitration panel shall notify its ruling to the Parties and to the subcommittee "industry, trade and services" within 30 days from the date of the submission of the request.
3. The reasonable period of time may be extended by mutual agreement of the Parties.

Article 11

Review of any measure taken to comply with the arbitration panel ruling

1. The Party complained against shall notify the other Party and the subcommittee "industry, trade and services" before the end of the reasonable period of time of any measure that it has taken to comply with the arbitration panel ruling.
2. In the event that there is disagreement between the Parties concerning the existence or the consistency of any measure notified under paragraph 1 with the provisions referred to in Article 2, the complaining Party may request in writing the arbitration panel to rule on the matter. Such request shall identify the specific measure at issue and it shall explain how such measure is inconsistent with the provisions referred to in Article 2. The arbitration panel shall notify its ruling within 90 days of the date of the submission of the request. In cases of urgency, including those involving perishable or seasonal goods, the arbitration panel shall notify its ruling within 45 days of the date of the submission of the request.

Article 12

Temporary remedies in case of non-compliance

1. If the Party complained against fails to notify any measure taken to comply with the arbitration panel ruling before the expiry of the reasonable period of time, or if the arbitration panel rules that the measure notified under Article 11 paragraph 1 is inconsistent with that Party's obligations under the provisions referred to in Article 2, the Party complained against shall, if so requested by the complaining Party, present an offer for temporary compensation.
2. If no agreement on compensation is reached within 30 days after the end of the reasonable period of time or of the arbitration panel ruling under Article 11 that a measure taken to comply is inconsistent with the provisions referred to in Article 2, the complaining Party shall be entitled, upon notification to the other Party and to the subcommittee "industry, trade and services", to suspend obligations arising from any

provision referred to in Article 2 at a level equivalent to the nullification or impairment caused by the violation. The complaining Party may implement the suspension 10 working days after the date of receipt of the notification by the Party complained against, unless the Party complained against has requested arbitration under paragraph 3.

3. If the Party complained against considers that the level of suspension is not equivalent to the nullification or impairment caused by the violation, it may request in writing the arbitration panel to rule on the matter. Such request shall be notified to the other Party and to the subcommittee "industry, trade and services" before the expiry of the 10 working day period referred to in paragraph 2. The arbitration panel, having sought if appropriate the opinion of experts, shall notify its ruling on the level of the suspension of obligations to the Parties and to the institutional body responsible for trade matters within 30 days of the date of the submission of the request. Obligations shall not be suspended until the arbitration panel has notified its ruling, and any suspension shall be consistent with the arbitration panel ruling.
4. The suspension of obligations shall be temporary and shall be applied only until any measure found to be inconsistent with the provisions referred to in Article 2 has been withdrawn or amended so as to bring it into conformity with those provisions, as established under Article 13, or until the Parties have agreed to settle the dispute.

Article 13

Review of any measure taken to comply after the suspension of obligations

1. The Party complained against shall notify the other Party and the subcommittee "industry, trade and services" of any measure it has taken to comply with the ruling of the arbitration panel and of its request for an end to the suspension of obligations applied by the complaining Party.
2. If the Parties do not reach an agreement on the compatibility of the notified measure with the provisions referred to in Article 2 within 30 days of the date of receipt of the notification, the complaining Party shall request in writing the arbitration panel to rule on the matter. Such request shall be notified simultaneously to the other Party and to the subcommittee "industry, trade and services". The arbitration panel ruling shall be notified to the Parties and to the subcommittee "industry, trade and services" within 45 days of the date of the submission of the request. If the arbitration panel rules that any measure taken to comply is in conformity with the provisions referred to in Article 2, the suspension of obligations shall be terminated.

SECTION III – COMMON PROVISIONS

Article 14

Mutually Agreed Solution

The Parties may reach a mutually agreed solution to a dispute under this Agreement at any time. They shall notify the subcommittee "industry, trade and services" and the arbitration panel of any such solution. Upon notification of the mutually agreed solution, the panel shall terminate its work and the procedure shall be terminated.

Article 15

Rules of Procedure

1. Dispute settlement procedures under Chapter III of this Agreement shall be governed by the Rules of Procedure annexed to this Agreement.
2. Any meeting of the arbitration panel shall be open to the public in accordance with the Rules of Procedure, unless the Parties agree otherwise.

Article 16

Information and technical advice

At the request of a Party, or upon its own initiative, the arbitration panel may obtain information it deems appropriate for the arbitration panel proceeding. In particular, the arbitration panel also has the right to seek the relevant opinion of experts as it deems appropriate. The arbitration panel shall consult the Parties before choosing such experts. Any information obtained in this manner must be disclosed to each of the Parties and submitted for their comments. Unless the Parties agree otherwise, interested natural or legal persons established in the Parties are authorised to submit communications in writing to the arbitration panels in accordance with the Rules of Procedure. Such communications shall be limited to the factual aspects of the dispute and shall not address points of law.

Article 17

Rules of interpretation

Any arbitration panel shall interpret the provisions referred to in Article 2 in accordance with customary rules of interpretation of public international law, including the Vienna Convention on the Law of Treaties. The rulings of the arbitration panel cannot add to or diminish the rights and obligations provided in the provisions referred to in Article 2.

Article 18

Arbitration panel decisions and ruling

1. The arbitration panel shall make every effort to take any decision by consensus. Where, nevertheless, a decision cannot be arrived at by consensus, the matter at issue shall be decided by majority vote. However, in no case dissenting opinions of arbitrators shall be published.
2. Any ruling of the arbitration panel shall be binding on the Parties and shall not create any rights or obligations to physical or legal persons. The ruling shall set out the

findings of fact, the applicability of the relevant provisions of the agreements set out in Article 2 and the basic rationale behind any findings and conclusions that it makes. The subcommittee "industry, trade and services" shall make the arbitration panel ruling publicly available in its entirety unless it decides not to do so in order to ensure the confidentiality of business confidential information.

CHAPTER IV

GENERAL PROVISIONS

Article 19

Lists of arbitrators

1. The subcommittee "industry, trade and services" shall, no later than six months after the entry into force of this Agreement, establish a list of at least 15 individuals who are willing and able to serve as arbitrators. Each of the Parties shall propose at least five individuals to serve as arbitrators. The two Parties shall also select at least five individuals that are not nationals of either Party and who shall act as chairperson to the arbitration panel. The subcommittee "industry, trade and services" will ensure that the list is always maintained at this level.
2. Arbitrators shall have specialised knowledge or experience of law and international trade. They shall be independent, serve in their individual capacities and not take instructions from any organisation or government, or be affiliated with the government of any of the Parties, and shall comply with the Code of Conduct annexed to this Agreement.
3. The subcommittee "industry, trade and services" may establish additional lists of at least 15 individuals having a sectoral expertise in specific matters covered by the agreements referred to in Article 2. Each of the Parties shall propose at least five individuals to serve as arbitrators. The two Parties shall also select at least five individuals that are not nationals of either Party and who shall act as chairperson to the arbitration panel. When recourse is made to the selection procedure of Article 6 paragraph 2, the chairpersons of the subcommittee "industry, trade and services" may use a sectoral list upon agreement of both Parties.

Article 20

Relation with WTO obligations

1. When a Party seeks the settlement of a dispute concerning an obligation under the WTO Agreement, it shall have recourse to the relevant rules and procedures of the WTO Agreement, which apply notwithstanding the provisions of this Agreement.
2. When a Party seeks the settlement of a dispute concerning an obligation falling within the scope of this Agreement as defined in Article 2, it shall have recourse to the rules and procedures of this Agreement.

3. Unless the Parties otherwise agree, when a Party seeks the settlement of a dispute concerning an obligation falling within the scope of this Agreement as defined in Article 2, which is equivalent in substance to an obligation under the WTO, it shall have recourse to the relevant rules and procedures of the WTO Agreement, which apply notwithstanding the provisions of this Agreement.
4. Once dispute settlement procedures have been initiated, the forum selected in accordance with the paragraphs above, if it has not declined its jurisdiction, shall be used to the exclusion of the other.
5. Nothing in this Agreement shall preclude a Party from implementing the suspension of obligations authorised by the Dispute Settlement Body of the WTO. The WTO Agreement shall not be invoked to preclude a Party from suspending obligations under this Agreement.

Article 21

Time limits

1. All time limits laid down in this Agreement, including the limits for the arbitration panels to notify their rulings, shall be counted in calendar days from the day following the act or fact to which they refer, unless otherwise specified.
2. Any time limit referred to in this Agreement may be modified by mutual agreement of the Parties. The Parties undertake to accord sympathetic consideration to requests for extensions of any time limit by reason of difficulties faced by any Party in complying with the procedures of this Agreement. Upon request of a Party, the arbitration panel may modify the time limits applicable in the proceedings, taking into account the different level of development of the Parties.

Article 22

Review and Modification of the Agreement

1. After the entry into force of this Agreement and its Annexes, the Association Council may at any time review their implementation, with a view to decide their continuation, modification or termination.
2. In this review, the Association Council may consider the possibility of creating an Appellate Body common to several Euro-Mediterranean Agreements.
3. The Association Council may decide to modify this Agreement and its annexes.

Article 23

Entry into force

This Agreement will be approved by the Parties in accordance with their own procedures. This Agreement shall enter into force on the first day of the second month following the date

on which the Parties notify each other that the procedures referred to in this Article have been completed.

17. When the arbitration panel considers that there is a need to modify any time limit applicable in the proceedings or to make any other procedural or administrative adjustment, it shall inform the Parties in writing of the reasons for the change or adjustment and of the period or adjustment needed. The arbitration panel may adopt such change or modification after consulting the Parties. The time limits of Article 8 paragraph 2 of this Agreement shall not be modified.

19. Where a Party considers that an arbitrator does not comply with the requirements of the Code of Conduct and for this reason should be replaced, this Party should notify the other Party within 15 days from the time at which it came to know of the circumstances underlying the arbitrator's material violation of the Code of Conduct.

Where a Party considers that an arbitrator other than the chairperson does not comply with the requirements of the Code of Conduct, the Parties shall consult and, if they so agree, replace the arbitrator and select a replacement following the procedure set out in Article 6 paragraph 3 of this Agreement.

If the Parties fail to agree on the need to replace an arbitrator, any Party may request that such matter be referred to the chairperson of the arbitration panel, whose decision shall be final.

If the chairperson finds that an arbitrator does not comply with the requirements of the Code of Conduct, she or he shall select a new arbitrator by lot among the pool of individuals referred to under Article 19 paragraph 1 of this Agreement of which the original arbitrator was a Member.
