Proposal for a

**COUNCIL DECISION**

**on the signing of the Agreement between the European Union and the Republic of  
Moldova on the protection of geographical indications of agricultural products and  
foodstuffs**

## EXPLANATORY MEMORANDUM

### **1. CONTEXT OF THE PROPOSAL**

Both Parties, the European Union and the Republic of Moldova, aim at the mutual protection of geographical indications (GIs) in order to improve the conditions of bilateral trade as well as to promote the quality in the food chain and stimulate the value for sustainable rural development.

The negotiations proceeded smoothly. For the EU, these negotiations had two objectives: on one hand expansion of the protection and use of the geographical indications system (the Republic of Moldova will protect the full list of EU GIs), on the other hand intervention at the source of potential misuses of EU GIs. Reciprocally, the Republic of Moldova has an interest to develop and protect their current geographical indications in the EU territory and strengthen its relation with the EU.

The present proposal is the result of bilateral negotiations concluded on the 18<sup>th</sup> of April 2011. The agreement provides for a mutual protection of geographical indications (PDOs and PGIs) protected in the respective Parties.

### **2. BUDGETARY IMPLICATION**

No implications.

On the basis of the above mentioned, the Commission proposes the Council to designate the person(s) empowered to sign the Agreement between the European Union and the Republic of Moldova on protection of geographical indications of agricultural products and foodstuffs, subject to its conclusion.

2. A Contracting Party shall not be required to protect as a geographical indication a name that conflicts with the name of a plant variety, including a wine grape variety, or an animal breed and as a result is likely to mislead the consumer as to the true origin of the product.

## Article 4

### Scope of protection of geographical indications

1. The geographical indications listed in Annexes III and IV, as well as those added pursuant to Article 3, shall be protected against:
  - (a) any direct or indirect commercial use of a protected name:
    - for comparable products not compliant with the product specification of the protected name, or
    - in so far as such use exploits the reputation of a geographical indication;
  - (b) any misuse, imitation or evocation<sup>2</sup>, even if the true origin of the product is indicated or if the protected name is translated, transcribed, transliterated, or accompanied by an expression such as ‘style’, ‘type’, ‘method’, ‘as produced in’, ‘imitation’, ‘flavour’, ‘like’ or similar;
  - (c) any other false or misleading indication as to the provenance, origin, nature or essential qualities of the product, on the inner or outer packaging, advertising material or documents relating to the product concerned, and the packing of the product in a container liable to convey a false impression as to its origin;
  - (d) any other practice liable to mislead the consumer as to the true origin of the product.
2. If geographical indications are wholly or partially homonymous, protection shall be granted to each indication provided that it has been used in good faith and with due regard for local and traditional usage and the actual risk of confusion. Without prejudice to Article 23 of the Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS), the Contracting Parties shall mutually decide the practical conditions of use under which the homonymous geographical indications will be differentiated from each other, taking into account the need to ensure equitable treatment of the producers concerned and that consumers are not misled. A homonymous name which misleads the consumer into believing that products come from another territory shall not be registered even if the name is accurate as far as the actual territory, region or place of origin of the product in question is concerned.
3. Where a Contracting Party, in the context of negotiations with a third country, proposes to protect a geographical indication of that third country, and the name is homonymous with a geographical indication of the other Contracting Party the latter shall be consulted and be given the opportunity to comment before the name is protected.

---

<sup>2</sup> Is considered an evocation, notably, the use in any way for products falling under heading No 20.09 of the Harmonised System of the International Convention on the Harmonised Commodity Description and Coding System, done at Brussels on 14 June 1983, although only insofar as those products are referred to wines falling under heading N°22.04, aromatised wines falling under heading N° 22.05 and spirits falling under heading 22.08 of that system.

4. Nothing in this Agreement shall oblige a Contracting Party to protect a geographical indication of the other Contracting Party which is not or ceases to be protected in its country of origin. The Contracting Parties shall notify each other if a geographical indication ceases to be protected in its country of origin.
5. The provisions of this Agreement shall in no way prejudice the right of any person to use, in the course of trade, that person's name or the name of that person's predecessor in business, except where such name is used in such a manner as to mislead consumers.

#### *Article 5*

### **Right of use of geographical indications**

1. A name protected under this Agreement may be used by any operator marketing, producing, processing or preparing agricultural products, foodstuffs, wines, aromatised wines or spirit drinks which conform to the corresponding product specification.

#### *Article 6*

They shall also enforce such protection at the request of an interested party.

#### *Article 7*

### **Specific provision**

2. For geographical indications referred to in Article 2, the date of application for protection shall be the date of entry into force of this Agreement.
3. For geographical indications referred to in Article 3, the date of application for protection shall be the date of the transmission of a request to the other Contracting Party to protect a geographical indication.
4. For geographical indications referred to in Article 3, the Contracting Parties shall have no obligation to protect a geographical indication where, in the light of a reputed or well-known trade mark, protection is liable to mislead consumers as to the true identity of the product.
5. Without prejudice to paragraph 4, the Contracting Parties shall protect geographical indications also where a prior trade mark exists. A prior trade mark shall mean a trade mark the use of which corresponds to one of the situations referred to in Article 4(1), which has been applied for, registered or established by use, if that possibility is provided for by the legislation concerned, in the territory of one of the Contracting Party before the date on which the application for protection of the geographical indication is submitted by the other Contracting Party under this Agreement. Such trade mark may continue to be used and renewed notwithstanding the protection of the geographical indication, provided that no grounds for the trade mark's invalidity or revocation exist in the legislation on trade marks of the Contracting Parties.
