Proposal for a

**COUNCIL DECISION**

**approving the modification of Annexes I, II and III to the Agreement between the  
European Union and Japan on mutual legal assistance in criminal matters**

## EXPLANATORY MEMORANDUM

### 1. CONTEXT OF THE PROPOSAL

- **Reasons for and objectives of the proposal**

**This proposal concerns an amendment to Annexes I, II and III to the Agreement between the European Union and Japan on mutual legal assistance in criminal matters<sup>1</sup>.**

The Agreement aims to establish more effective cooperation between the European Union and Japan on mutual legal assistance in criminal matters. Under the Agreement, at the request of the requesting state the requested state is required to provide mutual legal assistance in connection with investigations, prosecutions and other proceedings (including judicial proceedings) in criminal matters.

The Agreement was signed on 30 November and 15 December 2009, subject to its conclusion. It was concluded by Council Decision 2010/616/EU of 7 October 2010<sup>2</sup> and entered into force on 2 January 2011.

The annexes to the Agreement list the Central Authorities of the Contracting Parties (Annex I); the authorities which are competent under the laws of the States to originate requests for mutual legal assistance pursuant to the Agreement (Annex II); and the languages accepted (Annex III).

In accordance with Article 30 of the Agreement, the annexes to the Agreement form an integral part of the Agreement.

It is now timely to update the annexes to the Agreement, since some changes on the part of Member State national authorities need to be taken into account. Member States have communicated the need for such changes to the General Secretariat of the Council. This Decision includes changes proposed by Member States.

In addition, Council Regulation (EU) 2017/1939<sup>3</sup> entered into force on 20 November 2017. Article 104(3) of that Regulation states that international agreements with one or more third countries concluded by the Union or to which the Union has acceded in accordance with Article 218 of the Treaty on the Functioning of the European Union in areas that fall under the competence of the European Public Prosecutor's Office (EPPO) are to be binding on the EPPO. In light of this provision, an update of the annexes to the Agreement is necessary to ensure that the EPPO, in the exercise of its competences as provided for in Articles 22, 23 and 25 of Council Regulation (EU) 2017/1939, is recognised as an authority competent to originate, send, receive and respond to requests for mutual legal assistance pursuant to the Agreement.

- **Consistency with existing policy provisions in the policy area**

This is the only EU-level international agreement on judicial cooperation in criminal matters that includes in its annexes a list of competent and central authorities and acceptable languages. Furthermore, Article 104(3) of Council Regulation (EU) 2017/1939 provides the legal basis for the recognition of the EPPO as a central and competent authority for the purpose of the Agreement.

- **Choice of the instrument**
